You are cordially invited to attend our 10th Annual Prayer Breakfast and Fellowship given by the UAW Local 647 Chaplaincy Committee. Bring your families, neighbors, retiree's and co-workers, all are welcome. Our theme is **"CARING IN THE WORKPLACE"**. This event is open to the community and the workforce. We want to share the importance of having chaplaincy in the workplace, community and schools; the necessity, value, and benefit that it brings. There are so many that are going through trials, health issues, financial problems, and just hurting in general. Let's come together and help each other through our struggles.
